

Eastern Ontario Paint Horse Club

The Eastern Ontario Paint Horse Club (EOPHC) is a family oriented club in which people can enjoy Paint horses on many levels. Our mission is to promote the equestrian sport, and the Paint horse in the eastern Ontario region. Whether you are a weekend rider, a serious show exhibitor or a breeder, there are many activities and programs available.

Established in 1992, and a sanctioned regional club of the American Paint Horse Association (APHA), the club organizes show dates, fundraisers, equestrian events, trail rides and a banquet yearly.

The success of the programs and events of the EOPHC would not be possible without the generous contribution of sponsors and volunteers.

Below are our confirmed 2019 show dates;

- ❖ **Williamstown Paint Horse Show** – Fairgrounds – August 11th 2019 – Williamston, ON

- ❖ **EOPHC Fall Futurity Paint Horse Show** – September 21st 2019 – Ste-Justine de Newton, QC
 - Participants: regional clubs of Ontario, Quebec and United States
 - Futurity level: 3 Judges, as well as prize money ranging from 200\$ to 1,000\$ in specific classes

We are looking to expand our club, and combine shows with the Eastern Ontario Quarter Horse Association, at the carp grounds for 2019. This all depends on how many sponsorships we receive!

As the president of the EOPHC (Eastern Ontario Paint Horse Club), I am seeking your company sponsorship, to aid our club along with our love of showing the paint horse at the breed level. As one of the only two American Paint Horse Association clubs in all of Ontario, we would like to maintain and sustain our club for many years to come, while promoting your business/organization.

I am writing this to you because the EOPHC thinks you are a business/company that would appeal to many of our club members and spectators. Sponsorship of the EOPHC would raise the advertisement of your business locally. In return for sponsorship, your business could receive the following benefits depending on the sponsorship level selected.
